Welcome To
The Great American Miniature Donkey Sale
Historic Lebanon, Ohio
At the Warren County Fairgrounds

May, 2006

Dear Donkey Enthusiast,

We are pleased to invite you to The Great American Miniature Donkey Sale, a select sale featuring quality registered miniature donkeys. The Sale will take place on Saturday, July 29, 2006 at 12:30 PM, at the Warren County Fairgrounds, next to the Lebanon Raceway, in Building C, in Lebanon, Ohio. We hope you plan to attend.

The Sale will consist of 70 miniature donkey lots. These miniature donkeys have been selected from those offered for consideration. Top breeders are consigning their best, as these donkeys publicly represent their farm and breeding program. It would literally take you many days, and thousands of miles, to view an assortment of available, quality stock like you will see represented at the Sale.

The selected miniature donkeys represent diverse bloodlines, great conformation, and a variety of sizes, colors & ages to attract breeders, show people, and donkey & equine lovers everywhere. Full information on each, including pictures (as consignors make them available), may be found on our web page, www.donkeys.net.

There is something for everyone here, whether you are an experienced breeder, or just getting started. Jennets include; yearlings, coming 2 year olds, mature jennets, bred jennets, and jennets with foals on the side. A trained driving gelding with cart & harness is also being offered. Donkey tack and gifts will be available. A silent auction with interesting and unique donkey items will raise money for the National Miniature Donkey Association (NMDA) Donkey Research Fund. Whether you are looking for a single jennet, a jennet & foal, brood jennets for your breeding program, or a loving pet, you are assured of finding only quality miniature donkeys at this sale.

This Donkey Sale is more than just an auction ; it is an event, a 'happening'. Donkey enthusiasts everywhere look forward to events such as this and we expect a large turnout from across the Continent. It is an opportunity for folks, both those with years of experience, and those first exploring miniature donkeys, to get together, share experiences, learn from each other, have some fun, make new friends, renew old friendships, and, oh yes, see, bid on, and purchase some of the finest quality miniature donkeys in North America.

We hope you plan to attend this year's Great American Miniature Donkey Sale. We are confident you will enjoy it.

Thank You for Your Support
Martha & Dowell Howard

PS - If you can't attend, but want to bid on the donkeys, please contact us before July 23 to discuss phone bidding, earlier is better.

1 MGF *Apple Blossom* 330

Frosted Spotted White Jennet, Bred for Fall 06 or Spring 07

Consignor: McRoberts Game Ranch, 6/15/03, Reg #45741

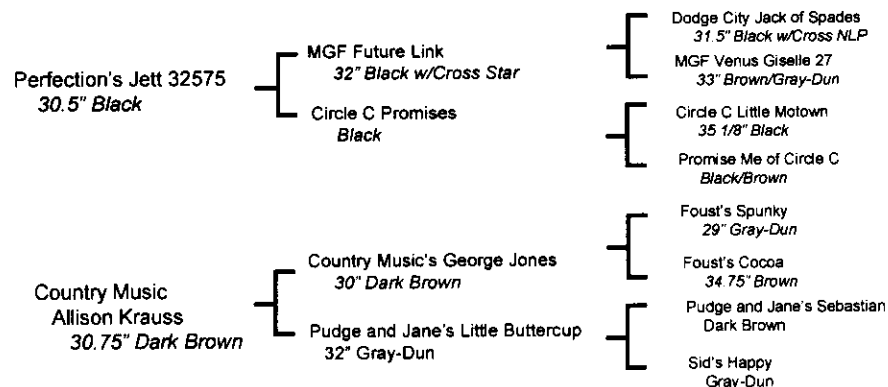

Apple Blossom, a fitting name for this beautiful, stocky, frosted sorrel with fantastic long, woolly hair. Her mother is also stocky and woolly. All that white hair makes her stand out in the field! Apple Blossom sells bred to MGF Husker Pride, a beautiful red, black & white spotted jack. You will be holding your breath to see what comes out of this pairing!

2 Perfection's *Gretchen*

Black Jennet, 9/26/05, Reg. # Pending

Consignor: Perfection Miniature Donkeys, 18.75" at Birth

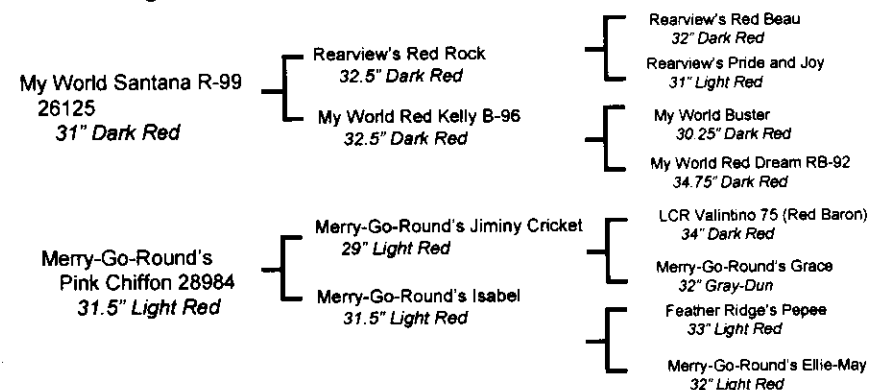

Like a little black dress, this little gem will never be out of date, or style. Gretchen has multiple World, National and NMDA Champions in her pedigree. A half sister to the 2004 World Champion Jennet, Perfection's Smartie Pants, Gretchen is destined for greatness. She will be shown at the Calgary 2006 World Miniature Donkey Show. Take this little black beauty home and show her, then watch the rewards roll in. Let Gretchen's success be your success.

3 The Elms *Rose Chiffon*

Light Red Jennet, 8/13/05, Reg. #43949

Consignor: Elms Farm Miniature Donkeys, 21.25" at Birth

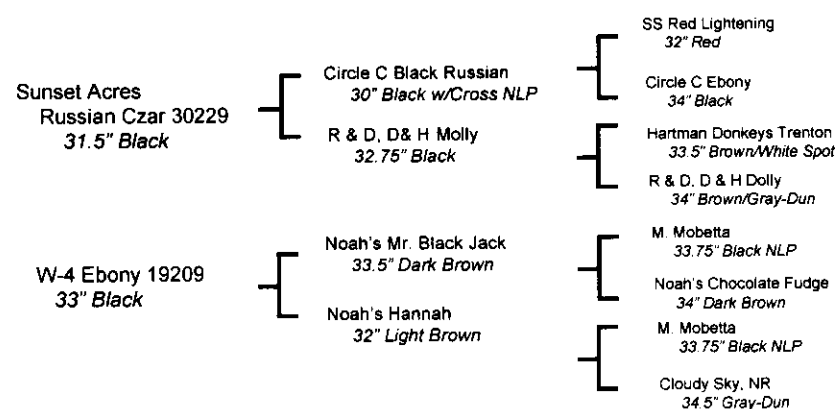

Everyone admires her mother, Pink Chiffon, as she is a striking, small, and stocky jennet, outstanding in the herd, with a glowing pink color. We paired her with Santana, for they are beautifully matched in size, build, and fluid movement. Rose Chiffon is the Santana daughter we would like to keep, but since so many have asked about a jennet foal from her dam, Pink Chiffon, we decided to offer her to you. We expect her to glow in your herd too!

4 Short & Sweet *InkaDinkaDoo*

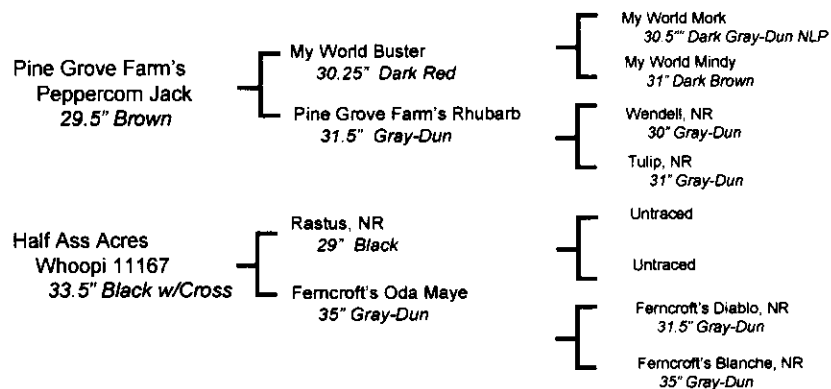

Black NLP Jennet, 3/15/05, Reg. #42326

Consignor: Short & Sweet Donkey Ranch, 31.5" May 06

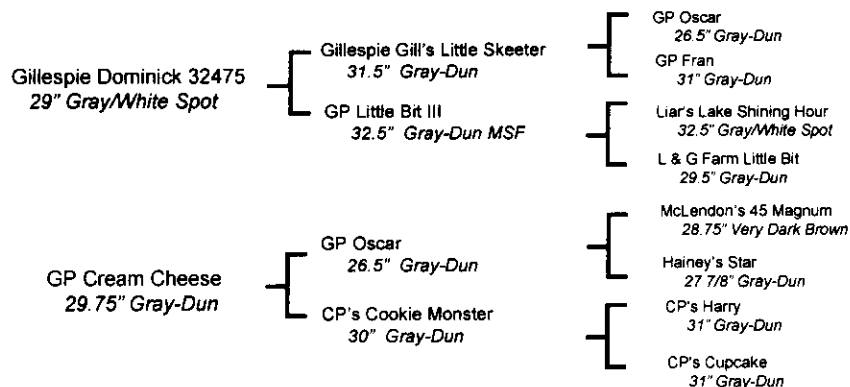

Inky- Two words describe this year old jennet: Black and Gorgeous!! She is black from the tip of her nose to the tip of her tail! If you are breeding for black, this is your girl. Strong black genetics in her background AND she's nice!!

5

HHAA Fat Bottom Girl**Dark Brown Jennet, 4/19/05, Reg. #41982****Consignor: Half Ass Acres, 23.5" at Birth, 31.75" May 06**

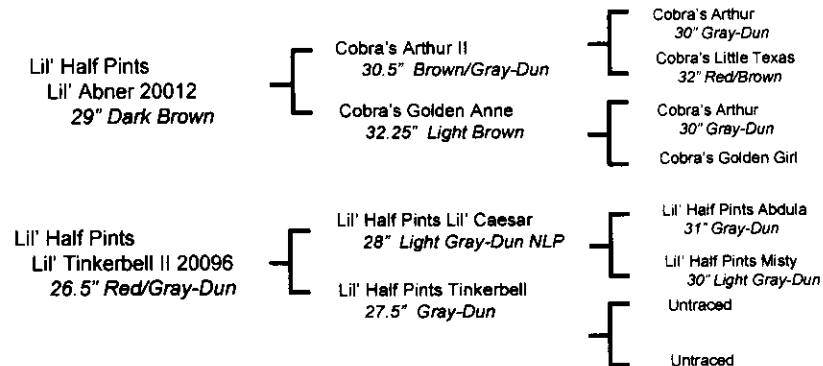

'Fattie' has show quality conformation. She has one of the best rear ends I have ever seen on a baby. She also has a beautiful face with expressive eyes. Her dam and grandsire on her mother's side are black and she has "My World" bloodlines on the top. How can you go wrong with this fine girl!

6

GP Nutmeg**Gray & White Spotted Jennet, 6/18/05, Reg. #43929****Consignor: Golden's Point, 18" at Birth**

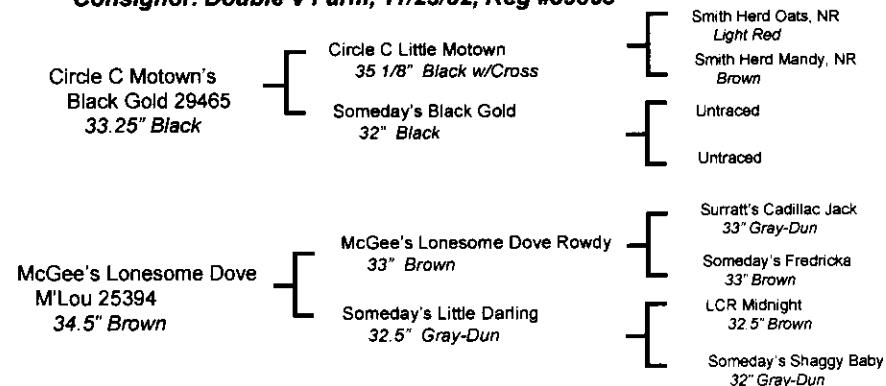

Nutmeg is a very petite, spotted show ring prospect that is stacked up with the genes of the legendary 26.5" 'Oscar'. She is a small headed, straight lined, nicely balanced treasure in a small package. Congratulations to the new owner.

7

Lil' Half Pints Lil' Star**Dark Gray-Dun NLP Jennet, 5/28/05, Reg. # Pending****Consignor: Lil'Half Pints, 15.75" at Birth, 25.5" at 10 mos.**

Lil' Star is one of those jennets that will always catch your eye and your heart! She has a beautiful head with a look at me attitude, and the conformation to be competitive in the show ring, just like her show winning half brother, our black 28" Lil' Merlin. Lady Fisher of England purchased her full sister as soon as she foaled. We believe that this tiny jennet has the potential to produce black and will shine like a "star" in your show or breeding program.

8

Lil' Jackson Ranch Angel**33.5" Black w/Cross Jennet, Bred for Fall 2006****Consignor: Double V Farm, 11/23/02, Reg #39363**

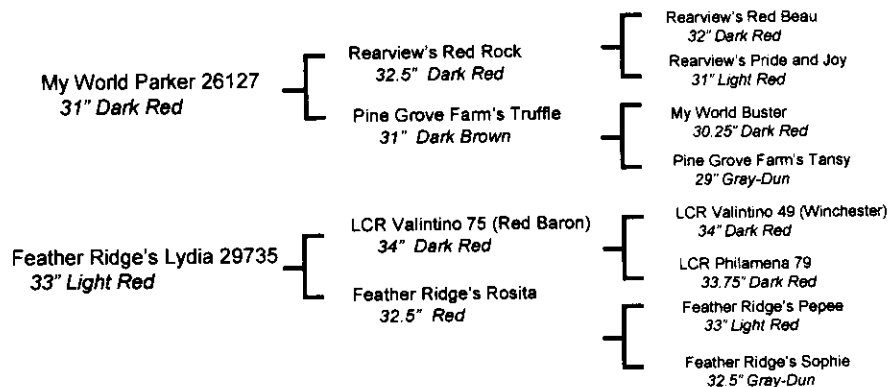

Are you looking for bred and black? Angel is black with a cross. Her sire, Circle C Motown's Black Gold, is a true black and has won Grand Champion Jack in National & World Shows. Angel is confirmed in foal to Circle C Hurricane, a medium sorrel, for an October foal. Hurricane won Grand Champion Jack at the 2005 Alberta Red Deer Show. He is a son of Red Lightening & Miss Houston of Circle C, and his only full brother is Circle C Legend. This is your opportunity to add 2 great Canadian bloodlines to your herd.

9

Feather Ridge's Golden Biscuit

Light Red Jennet, 7/21/05, Reg. # Pending

Consignor: Feather Ridge Farm, Height 30" Feb. 06

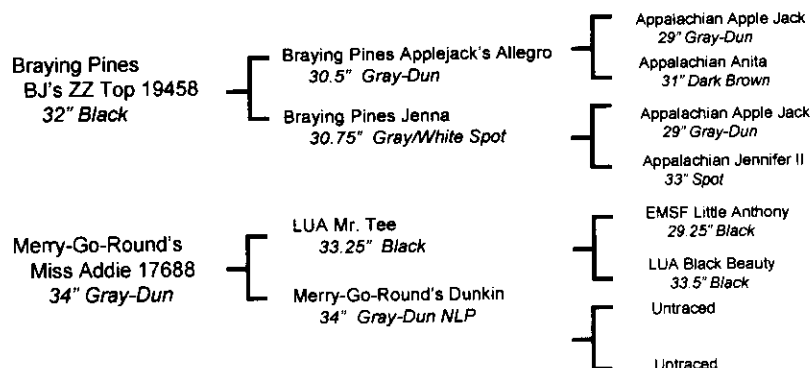

Her presence alone, along with her beautiful light sorrel color and stocky build, make her a real eye pleaser. Lots of sorrel here. With Red Baron being her grandsire, and My World Parker her sire. Her mother is my best light sorrel jenny. I've had some beautiful bright red come out of light sorrels. When she matures you'll be proud to have her.

10

Merry-Go-Round's Girlfriend

Black Jennet, 7/14/05, Reg. # Pending

Consignor: Merry-Go-Round Minis, 30.25" Feb. 06

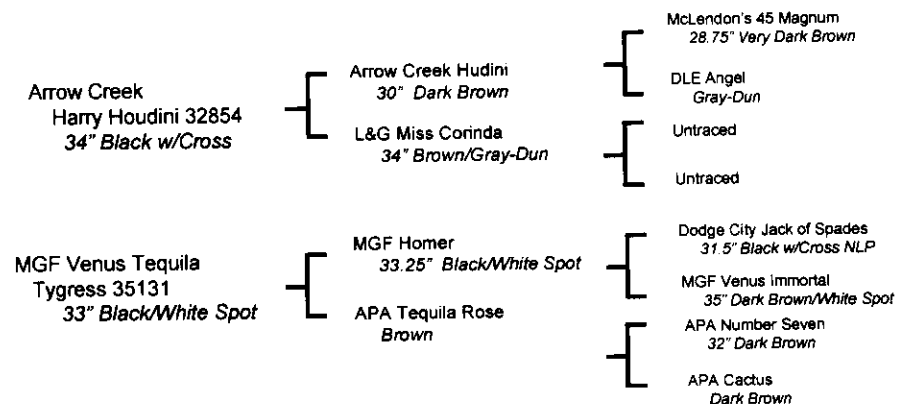

Got bone? Well Girlfriend does. Here's a premium black, drafty jennet with a good black pedigree. Her dam, Miss Addie, is a FULL sister to Mr. Perlino (cream gene). Girlfriend is one of the finest foals I've had, a treasure to any breeding program.

11

MGF Tequila Sunrise 535

Black MSF Woolly Jennet, 6/20/05, Reg. #45740

Consignor: McRoberts Game Ranch

I think this long haired, super woolly, beautiful, black and white spot is comparable to last year's Ebony and Ivory. She carries herself with style, and the white accents her abundant long, silky hair. Her father is the jet black Arrow Creek Harry Houdini and her mother is a woolly black spotted Homer daughter.

12

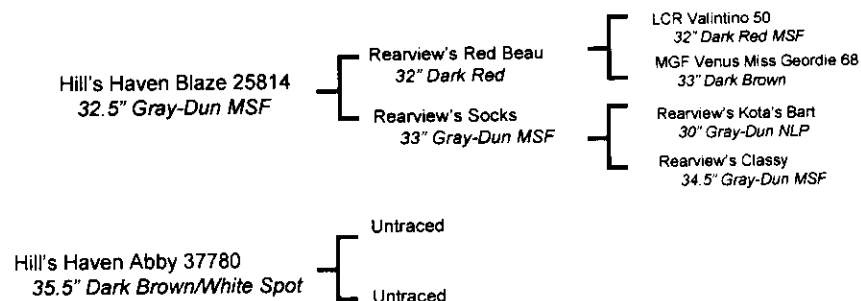

Hill's Haven Josie

32" Brown & White Spot Jennet, 8/8/02, Reg. #43025, Bred for 2007

Big River Red Lightning

Red & White Spot Jennet Foal, 5/8/06, 21.25" at Birth, Reg. Pending

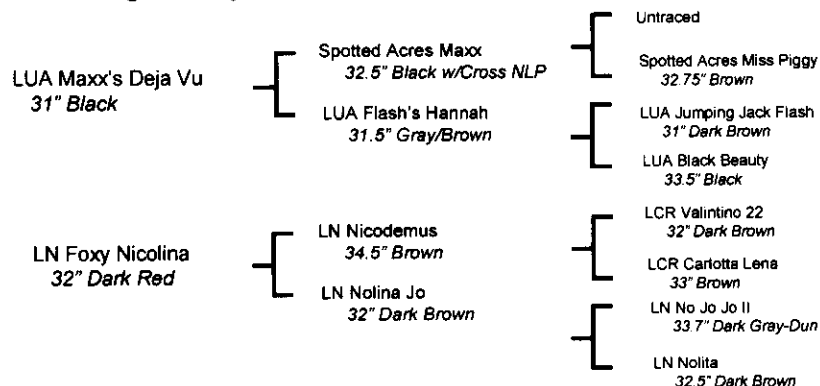

Consignor: Big River Miniature Donkey Farm

3 in 1 Family! Josie is a uniquely marked jennet that will catch one's eye. She has Valantino 50 and Rearview in her pedigree. Josie has a sorrel and white spotted jennet foal at her side, sired by Happy Jack Acres Lights Out (MGF Future Link X Hiwest Diamond Rose), a 32 3/8" true black jack. She will be exposed back to Lights Out for a 2007 foal.

13 LN *Little Foxy Vu*

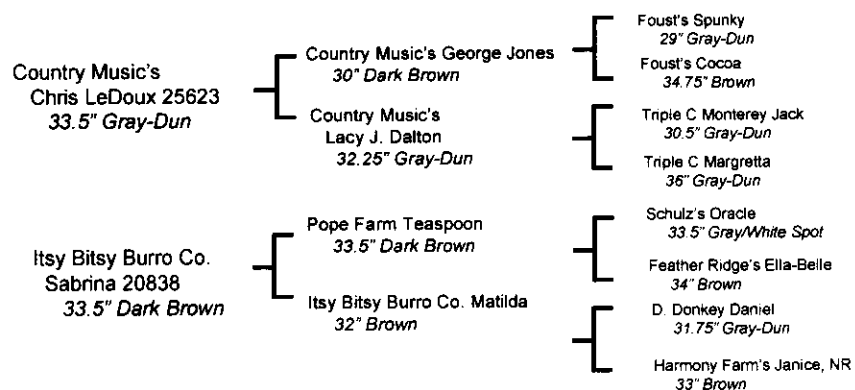

Black NLP Jennet, 7/30/05, Reg. # Pending
Consignor: Lazy N Ranch, 20.5" at Birth

This sharp little lady is for you if you want dark with no light points, small and quality, and that is just the beginning. Both her sire and dam are very exceptional individuals - Déjà Vu by his Halter Champion winnings and great disposition and Nicolina by her great offspring, 6 have succeeded in the show ring. Not much of a gamble here, Foxy Vu already looks great, and is as sure a bet as you will find.

14 Long Run *Tuscan Sun*

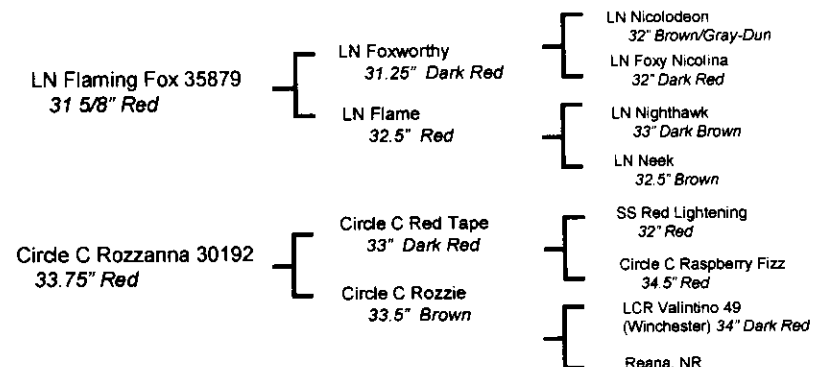

Brown Jennet, 6/7/04, Reg. #43857
Consignor: Long Run Farm, Height 32.5" Mar. 06

Sun is a correct, graceful, and feminine jennet. Her pedigree includes National Champions George Jones & Foust's Spunky, and the outstanding show jack, Teaspoon. Show her now, then breed her later. She is sure to be an asset to your program.

15 Heiken's Ark *Rosalie F*

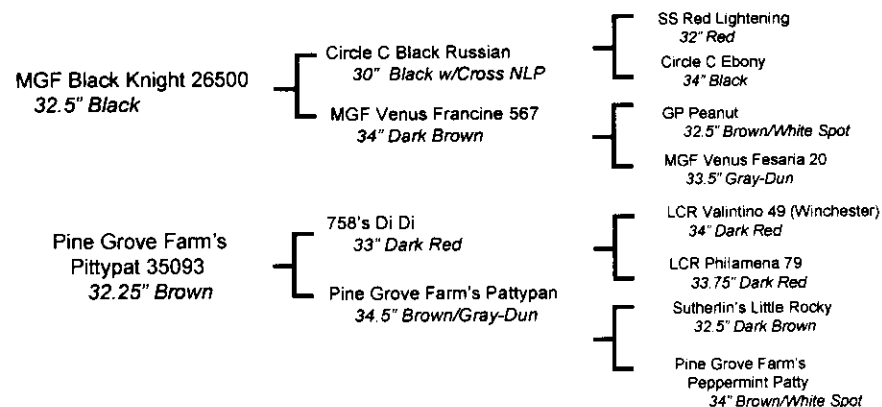

Dark Red Jennet, 6/26/04, Reg. # Pending
Consignor: Heiken's Ark

Rosalie F is a jennet whose parents are both dark red and have outstanding conformation. She is a full two years old, so closer to breeding age to the jack of your choice. Her pedigree contains many familiar names like Valintino 49 and 50, Foxworthy and Red Lightening. If you're looking for red, here is a jennet you should have

16 Hill's Haven *Koko*

Dark Brown Jennet, 5/6/04, Reg. #44801
Consignor: Hill's Haven, 21.75" at Birth

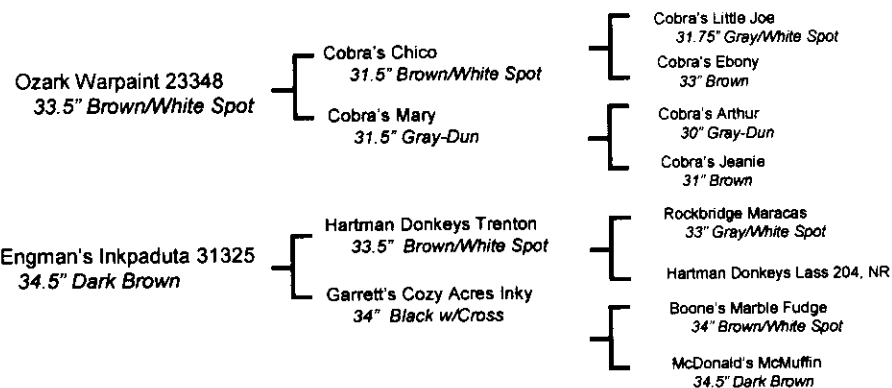

Hill's Haven Koko was 21.75" at birth. She's very lovable, great conformation, full round butt, perfect teeth, and straight legs, like her sire, Black Knight, and on back to Black Russian and Red Lightening. Her dam's side is Di Di and Winchester. Don't miss out on this girl!

17

Heavenly Poppy

Brown & White Spot Jennet, 9/14/05, Reg. # Pending
Consignor: Little Bit of Heaven, 21" at Birth

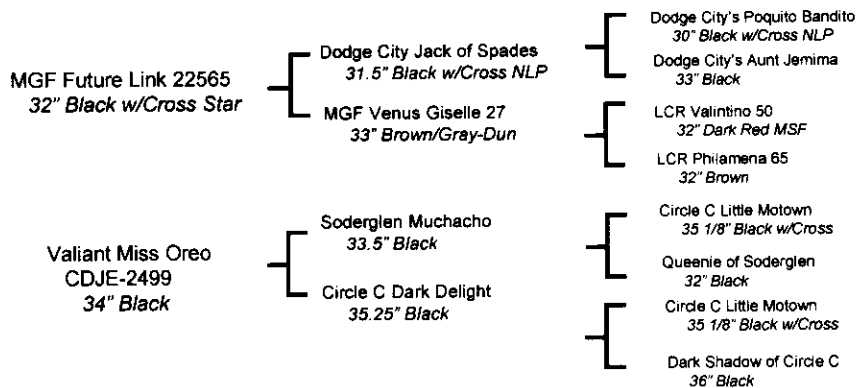

Poppy—If you are looking for spots, Poppy has spots on both sides. She would make a very nice show jennet or brood jennet. She is very sweet and easy to handle.

18

Yorkleigh Farms Orchid

Black w/Cross & Star Jennet, 9/1/03, Reg. #CDJE-4130
Consignor: Yorkleigh Farms, 30.25" Mar. 06

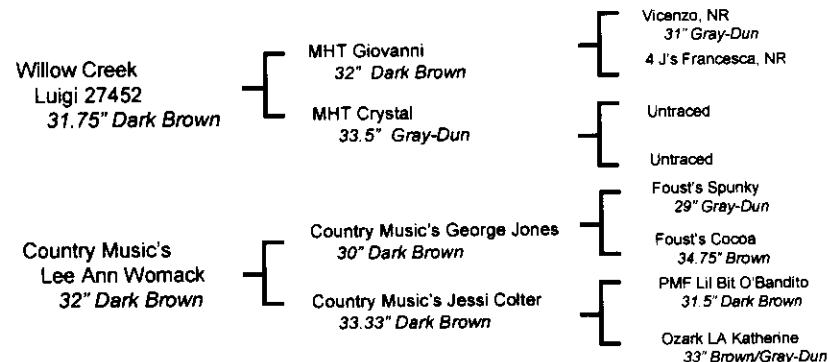

We are pleased to offer for sale this petite true black jennet. She has a small white star and gorgeous garters. Orchid has character, color and compact size. Her pedigree offers something different with her sire being Future Link, and on her dam's side the grandsire being Muchacho. Orchid will remain small, so if black genetics are what you are wanting to achieve in your breeding program, then don't miss you chance to take this flower of a donkey home.

19

Frontier Legends Bandit Queen

Dark Brown Jennet, 4/17/05, Reg. #42402
Consignor: Frontier Legends Miniature Donkeys, 22" at Birth, 30" Mar. 06

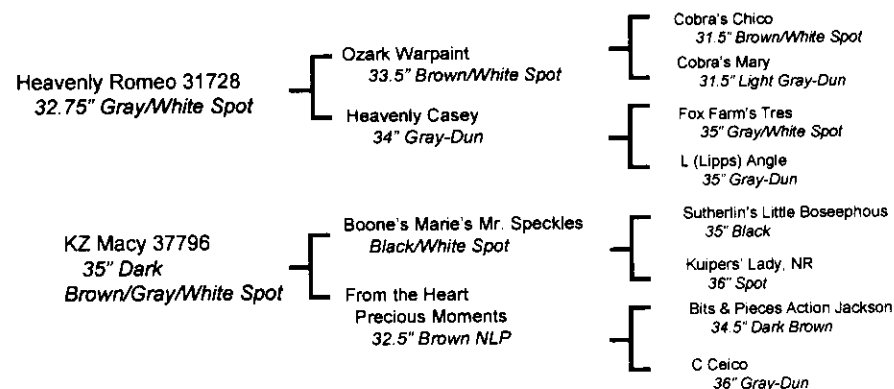

This dark brown jennet has great potential and champion bloodlines. Her sire, Willow Creek Luigi, was the 2004 ADMS National Champion. While owned by Frontier Legends, Luigi was shown 18 times and always placed, having 3 Grand Champion titles. Bandit Queen's grandsire, Country Music's George Jones, was also a National Champion. Bandit Queen placed 5th of 10 at the 2006 Texas State Championship Show in yearling jennets. This gal has the bloodlines & looks to improve and complement any breeding program.

20

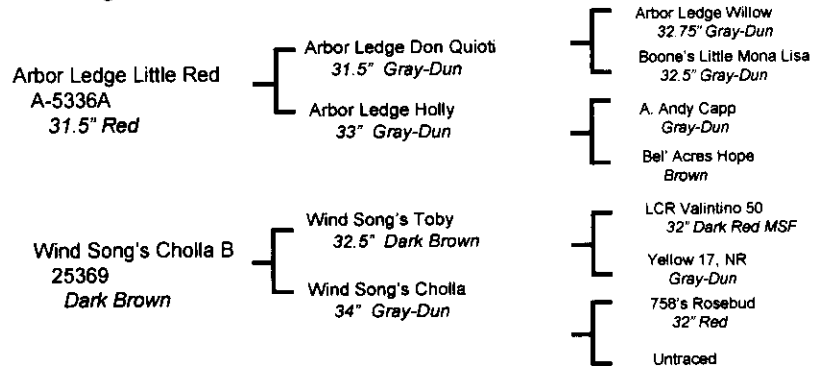

KZ Mena Mime

Brown/Gray & White Spotted Jennet, 5/22/05, Reg #42872
Consignor: KZ's Ass-Piration Acres, 22.5" at Birth

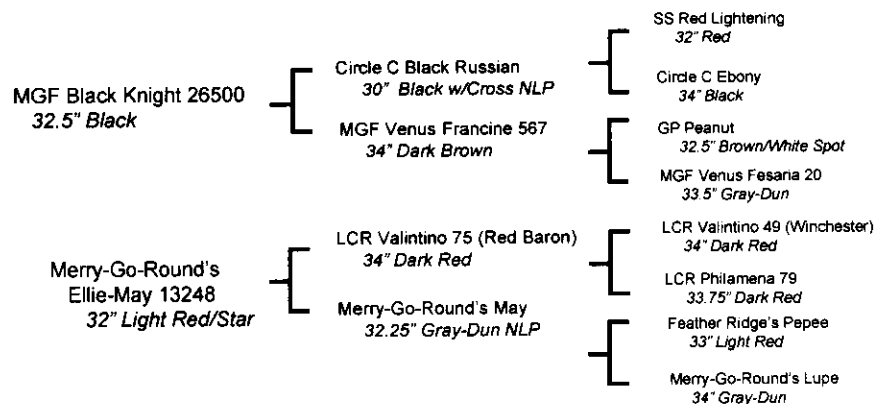

Mena is what every breeder is looking for in a spotted jenny. I almost kept her myself. She has the tyger spotting pattern. Her coloring looks just like her dam's and she has her sire's blocky, straight conformation. With black & white spotted, black, and many other spotted colors in her background, who knows what she could produce!

21

Ass-pirin Acres *Callula***32.25" Very Dark Brown Jennet, 8/18/01, Bred for 2007****Consignor: The Red Gate, Reg. #35506**

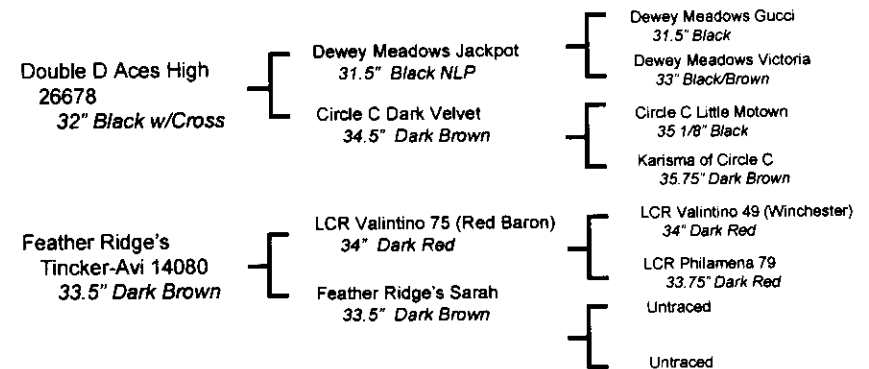

Callula is a very nice drafty, compact jennet with good bone, dark color, and a pedigree tracing to imports. She has a sweet, gentle personality and is a loving, excellent mother. Her first foal (2005), a 20.25" very stocky, very dark brown jack, is headed for the show ring. She is bred to our jack, Frontier Legends Sundance Kid, a dark brown 31.25" VERY STOCKY jack. Sundance's sire, Willow Creek Luigi is a two-time ADMS National Halter Champion and NMDA Halter Champion. Don't miss this opportunity to take Callula home with you!

The Elms *Jaunty Splash***Dark Red Jennet, 4/12/05, Reg. #45871****Consignor: Elms Farm Miniature Donkeys, 21.75" at Birth**

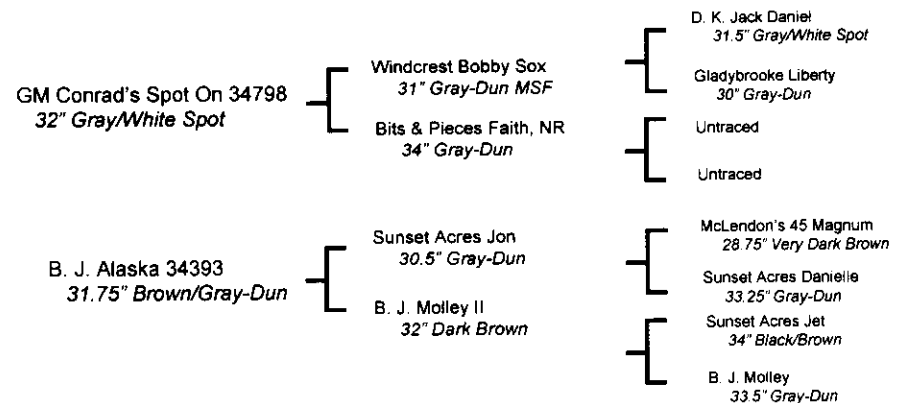

Jaunty is a superb, dark sorrel jennet. She has the wide chest, straight legs, good conformation, and balance everyone wants. Her name comes from the small, off center splash of white on her forehead, not big enough to be a star, but gave her a jaunty look. She has a wonderful, willing temperament as well. We love Black Knight's foals, and this jennet is exceptional.

23

Feather Ridge's *Olga***Black w/Cross Jennet, 7/16/04, Reg. # Pending****Consignor: Feather Ridge Farm, 32" Feb. 06**

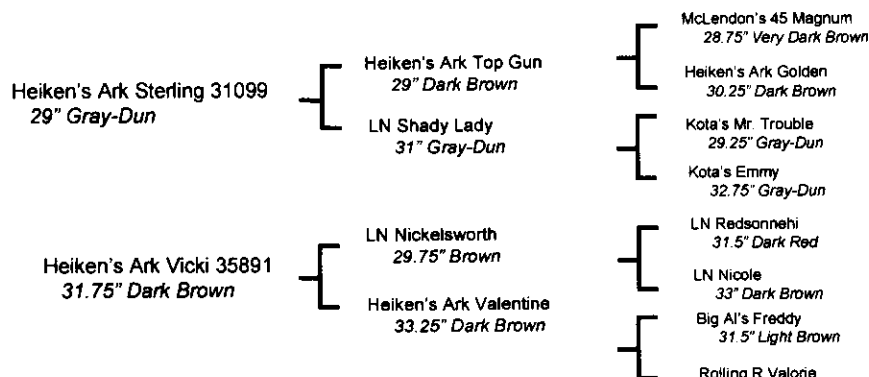

One look at this little jennet tells it all. She's the kind we all like to have in our herds. Her mother, Tincker, is one of my best dark chocolate jennys, and a Red Baron daughter. You have black and sorrel both in this little gal. I've had a lot of babies born over the years, but this one ranks up there with the best I ever produced. I think she would be a wonderful addition to anyone's donkey program.

24

B. J. *White Princess***Frosted Spotted White Jennet, 5/15/05, Reg. # Pending****Consignor: Gold Mine Farm, 21" at Birth**

Soulene is a lovely sweet jennet with a good black pedigree. Her dam Nina II has a stripe with brindling down her back. Soulene's foal, Bunnie, was born on 4/16/06 (sired by Merry-Go-Round's Carbon Black, 32" black by DD Aces High X Merry Go Round's Sootie). She is a super nice gal with a great black pedigree. These gals are a great way to put some black genetics into your herd or get a start on some. Soulene sells open to breed to your jack.

27

She measured 19" at birth, going to be small. Sired by a 32.75" black jack, "Dynamite" that has produced several nice foals. Glamor Girl is a full sister to Knite-N-Gail that sold in the 2005 sale for \$5900.

29

West Prairie Janice**Brown Jennet, 10/2/04, Reg. #45594****Consignor: West Prairie Farm, 29.5" Feb. 06**

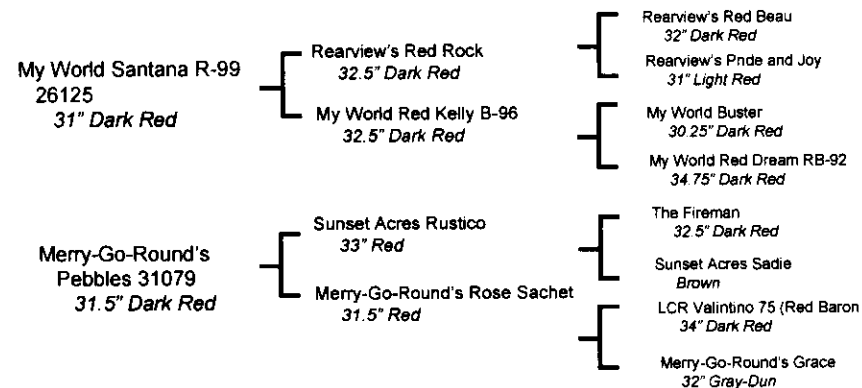

We think Janice is a fantastic little jenny with her great conformation, nice head & neck, and gentle disposition. Her desirable pedigree has many with dark genetics, including those of her sire, Heiken's Ark Felix, a 32" dark brown and grand sire, Heikens Ark Top Gun, only 29" tall. We have been breeding donkeys for 15 years, and although our herd is not large, we are proud to offer Janice as representative of the quality we are producing. Janice should make a great addition to most herds.

30

LN Abbavail**Dark Brown Jennet, 7/13/03, Reg. #37920****Consignor: 'Bray'n Pool, 31.25" Mar. 06**

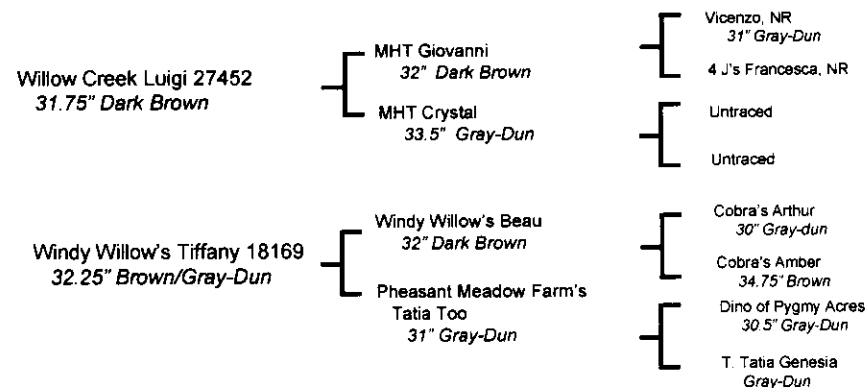

Abbavail is a sweet and correct little jennet. She inherited the great carriage and head from her sire, Dark Vader. Abbavail is carrying lots of black on both sides from LN Dark Vader and GB Pitch Dark on the top side of her pedigree, and Little Motown on the bottom. This girl will be a great addition to any black breeding program, and she will stay small. Lots of eye appeal in this fine boned little girl. She sells open to breed to your jack.

31

The Elms Tiny Rose**Dark Red Jennet, 5/14/05, Reg. # Pending****Consignor: Elms Farm Miniature Donkeys, 19.25" at Birth**

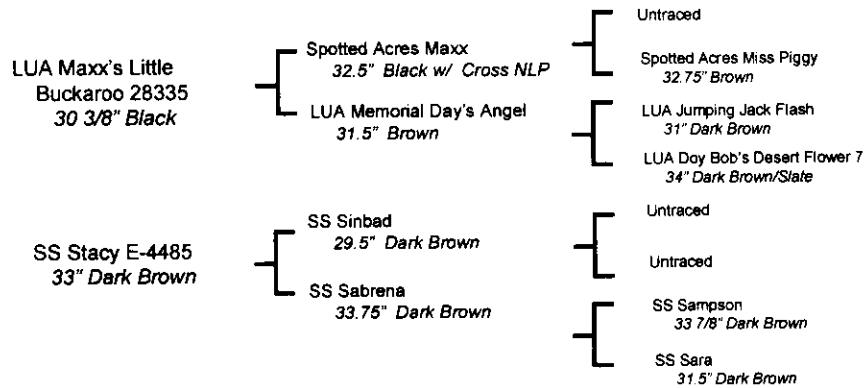

A very nice jennet in a small package! She is small, and stocky with beautiful, red color. Santana is a spectacular, dark sorrel jack, and so is Pebbles, her mother. Lots of dark sorrel in the pedigree as well. We are impressed with this jennet, and think you will be too. Take a good look at her presence and build.

32

GAF Black Beauty**Very Dark Brown Jennet, 1/12/05 Reg. #42600****Consignor: Great Asspectations Farm, 20" at Birth, 30" Mar. 06**

Her dam, Circle C Dark Ebony, was Reserve Grand Champion as a 2 year old at Millarville, Alberta. Her sire, Cyder's Red Ranger has it all; pedigree, color, & conformation. Essence possesses the same elegance as her half sister, Dark Dubonet, sold at auction last year. If you want excellent genetics combined with show ring looks, this is your girl.

Frosted Spotted White/Light Red Jennet, 7/4/04, Reg. #45742

Consignor: McRoberts Game Ranch

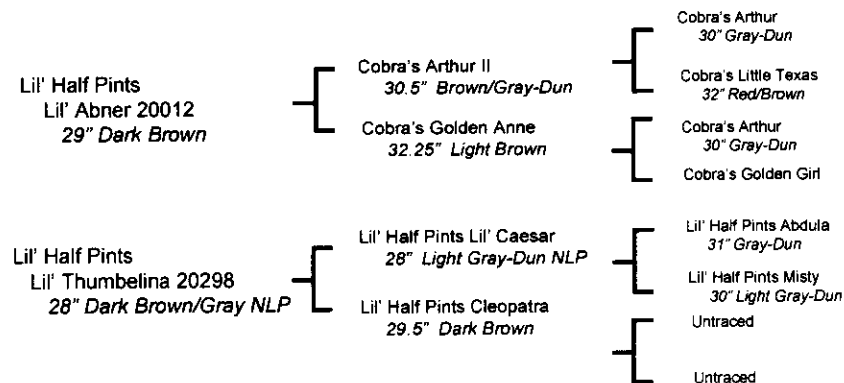

This unique sorrel spot is stocky with plenty of hair in her background from her father, MGF Stollie, Too, and her mother MGF Morgana - a black Harry daughter. Lil' Half Pints Lil' Tootsie Roll

Dark Brown/Black Jennet, 6/1/05, Reg.# Pending

Consignor: Lil' Half Pints, 15.25" at Birth, 25" at 10 mos

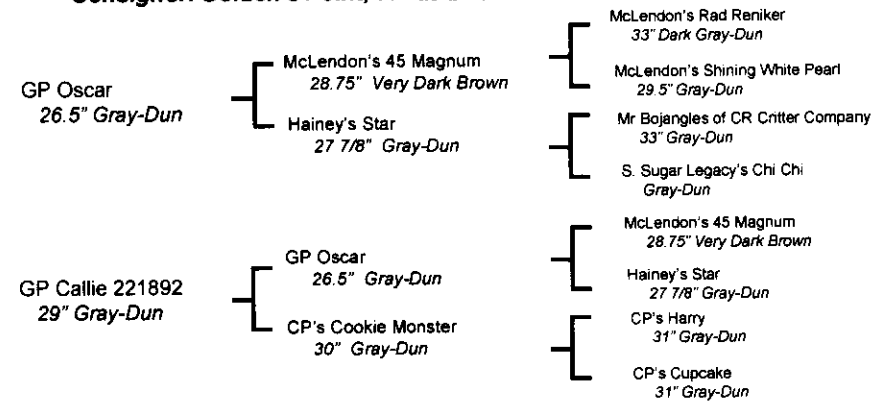

This tiny dark jennet is a sweetheart and just too cute! She has real eye appeal and a gorgeous petite head. You couldn't ask for a prettier head. Lady Fisher of England purchased her full brother at the age of one month. Her 28" brother is in our herd and has sired black and sorrel foals, bred to gray jennets. We also have her full sister who is a true black and shines like black patent. If you are looking for tiny size & colored genetics, you should consider Lil' Tootsie Roll.

39

GP Pepsi

Gray-Dun Jennet, 2/28/05 Reg. #43928

Consignor: Golden's Point, 17" at Birth

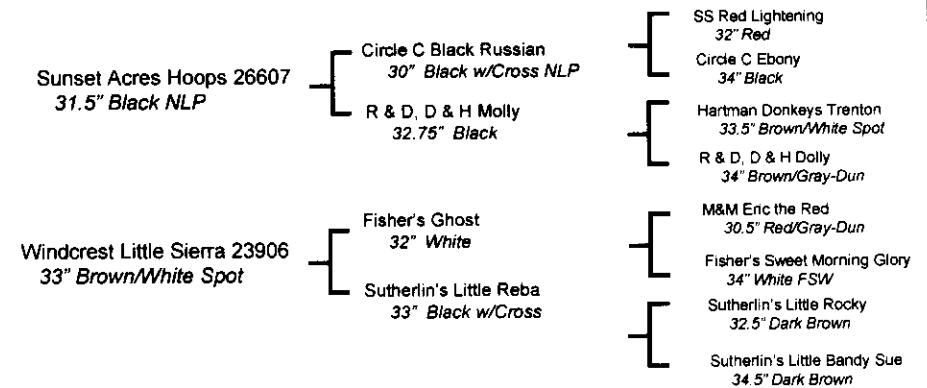

Little Pepsi is a full sister to Kool Aid, Sprite, and Gator Aid, past super stars at the NASS, and some of the smallest donkeys to ever sell at public auction. The line breeding of "Oscar" has resulted in another tiny, toy (to die for) jennet. You will never find any smaller genetics and sweeter personality!

40

HHAA Hula Hoop

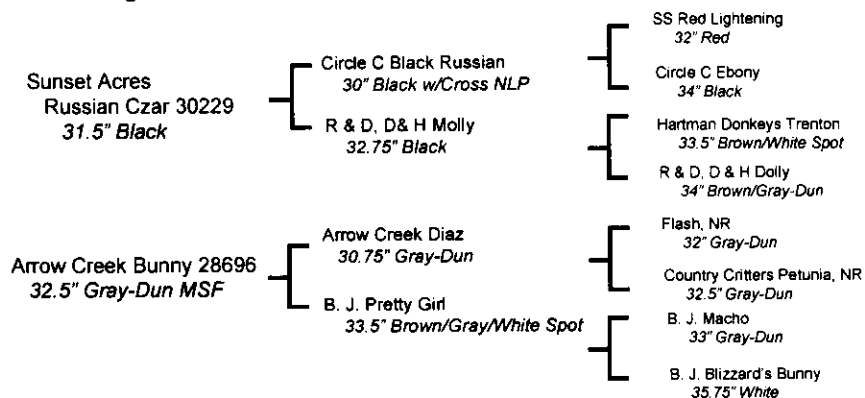

Black Jennet, 5/3/05, Reg. #43203

Consignor: Half Ass Acres, 22.5" at Birth

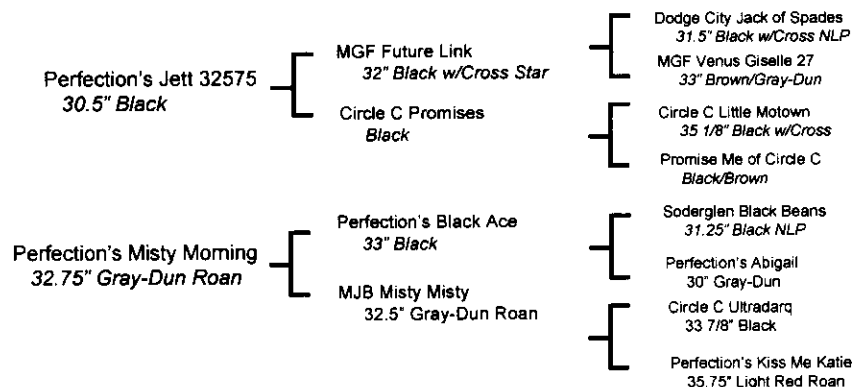

This is a very special girl for more reasons than one. Hula tried so hard to be a no light points jennet and she almost made it except for one tiny smudge on the bridge of her nose. Everything else is totally black.... The inside of her ears, her eye rings and her belly. We won't know for sure until she is body clipped, but so far there is not one hint of a cross. Her sire is a true black with no light points.

41

Short & Sweet Casablanca**Gray & White Spotted Jennet, 3/19/04, Reg. #41644****Consignor: Short & Sweet Donkey Ranch, 30.75" May**

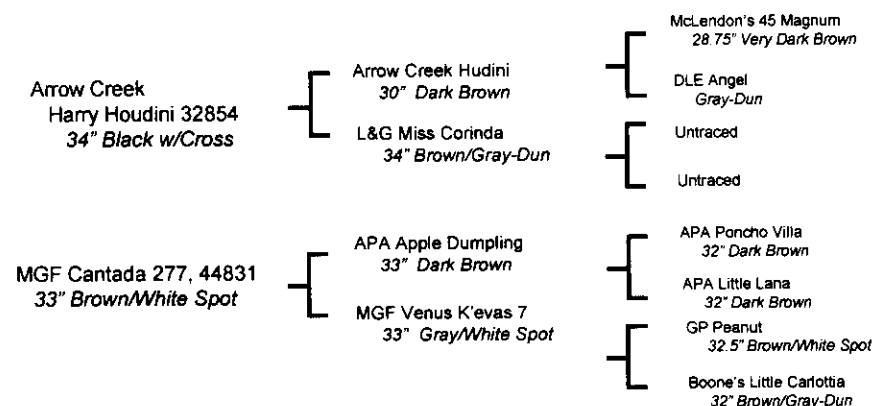

Cassie will be an asset to anyone's breeding program, but especially if you are breeding for blacks or dark spots. Her full brother is black with no stripe. Even before she reached her second birthday she had already filled out, and she's staying small, hard to find in a spot. Cassie has that 50-50 color pattern that the judges look for in ACOSA classes. The judges placed her 3rd and 4th in the spotted class at the Lone Star State of Stars show in Conroe, TX last summer.

42

43

MGF Warm Fuzzy 533**Black Woolly Jennet, 4/25/05, Reg. #45745****Consignor: McRoberts Game Ranch**

Long Run City of Angels is a rich dark brown that looks black. She has a people loving disposition that has made her a farm favorite since birth. She is bred to perform as the daughter of Z Mo Betta (Thom-Ass Acres winning show jack) and granddaughter of the great Circle C Motown. She is balanced with a long graceful neck that will make that perfect picture in harness. Spots in her background make her an excellent prospect to produce color.

46

Hooves Etc. Roxanne**34.75" Pale Gray-Dun/Light Red Jennet, Bred for 2007****Consignor: Yorkleigh Farms, 6/6/99, Reg #CDJE-3605**

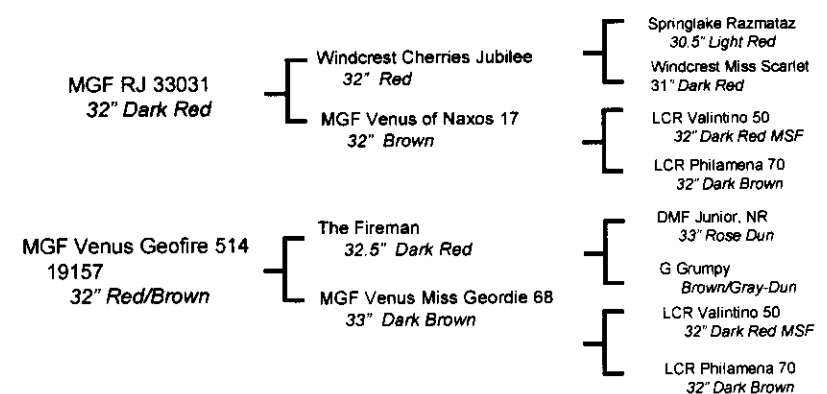

The decision to part with Roxanne was a very difficult one. She's a sweet donkey with a loving personality. We decided to breed her to our herd sire, Cyder's Red Ranger, for a spring 2007 foal since she produced a very nice jack foal in 2005. Roxanne's grand dam produced two Calgary Stampede Champions and Roxanne captured a Grand Championship at Millarville, Alberta. She should produce sorrel with the right breeding. Roxanne is a donkey you will fall in love with and will be a great asset to your breeding program
